18th December 2020

Dear Parent or Carer

We have just sent a letter from Mr Perry to say that Year 7, 8 and 9 students will learn remotely (at home) on Tuesday 5th January, Wednesday 6th January, Thursday 7th January and Friday 8th of January 2021.

Monday 4th January will be a staff training day.

Due to the success of the remote learning Accelerator students completed at the beginning of November, we will continue with the same format of provision again.

From Tuesday 5th January, please help your child to log onto Teams and join the meetings twice a day:

- 9:00 am - registration and day plan
- 12:00pm - live lesson meetings

Lessons/work will be posted on Teams daily for students to complete. If you have any problems, please message the class teacher via the chat function on Teams, or send an email.

Thank you once again for your support during this difficult and ever-changing time.

The Accelerator Team
