

Dear Parent/Guardian

The Human Papilloma Virus (HPV) vaccination will be offered to your child at the beginning of Year 8 should COVID 19 restrictions allow.

The vaccine is part of the Childhood Immunisation programme to protect both boys and girls from HPV related cancers. The immunisations will be given by the Calderdale Immunisation Team within the school setting.

Please use the following link for further information regarding the Human Papilloma Virus.
www.nhs.uk/hpv

The Calderdale Immunisation Team will be in touch with you soon to discuss this vaccination and to obtain your consent/non-consent.

Yours faithfully

Mrs Finch

Health, Safety & Community Project Assistant
