Year 10 Results

Dear Student

We hope that you and your family are well.

Normally we would be excitedly waiting for your results, scanning the news for clues about national trends and looking forward to seeing you all to celebrate your results. Unfortunately this year is different and in many ways it has been far more stressful than sitting exams.

As you may have heard the Government has just announced that the exam boards will be using the centre assessed grades as your final results.

We know how important that your results are to you but all of these last minute changes by the Government mean that we **will not be able to send you your results on Thursday 20th** as planned. This is so that we can ensure that every Year 11 student receives their results in time for them to finalise their post 16 provision.

We will **send you your results via school email before the weekend.**

We are immensely proud of you all and we look forward to seeing you as Year 11 at the start of term.

Kind regards

Mr M Perry

Headteacher
