

Dear Parent / Guardian,

Next half term in Year 2 we will be learning about different animals and their habitats in science. We will also be using our geographical knowledge and seeing where different animals live around the world.

As part of our learning we would like to take the children to Knowsley Safari Park in Merseyside on Thursday 24<sup>th</sup> June 2021. This educational visit will allow the children to see different animals such as tigers, elephants and giraffes. The children will then use their learning from the visit, when we are back in the classroom, and will be able to write about their experiences.

The pupils will need to be at school by 8.15am in FULL SCHOOL UNIFORM. If your child normally has a school dinner a packed lunch will be provided from school. If your child usually brings a packed lunch from home, please ensure they bring one as normal for the trip.

We will travel to Knowsley Safari Park by coach which will return to school for 3.30pm. This time is approximate due to traffic and we will keep parents updated by text message throughout our journey home.

We are asking for parental contributions of £10 to go towards the visit, this payment should be made via ParentPay. This figure has been heavily subsidised by school due to increased coach prices and entry fees.

Kind Regards,

Mrs Mutch and Miss Hussain
