

Dear Parents,

As part of Year 6's end of year celebrations, they will be going on a school trip to Go Ape at Temple Newsam in Leeds on Wednesday 30th June.

At Temple Newsam, the children will take part in the following activities: a walk, team building games, an outdoor escape room and a tree top adventure trail.

The children will travel by coach which will leave school at 9am. They will return to school at 5pm. This time is approximate due to traffic and we will keep parents updated by text message throughout our journey home.

If your child normally has a school dinner a packed lunch will be provided from school. If your child usually brings a packed lunch from home, please ensure they bring one as normal for the trip.

For the activities, your child will need clothing suitable for the weather, a spare set of clothes, sensible footwear and sun cream.

We are asking for parental contributions of £10 to go towards the visit, this payment should be made via ParentPay. This figure has been heavily subsidised by school due to increased coach prices and entry fees.

Yours sincerely

Mr Potter

Deputy Head - Primary
