

The Halifax Academy Primary Phase PE Action Plan 2020 - 2021

Aim: to implement a series of actions which ensure that PE Primary Funding is used effectively to improve the quality and quantity of provision in a sustained and strategic manner. To increase pupil participation in sport and to improve their understanding of the health benefits (physical and mental) of sport participation. Please note this plan is written to show the intention of the school in terms of its spending of the PE Primary Funding, however adaptations to this may have to be made related to the COVID 19 pandemic.

Due to the limitations on people movement and services, sports participation and restrictions on pupil mixing aspects of this plan were rolled over to 2021-2022 as they could not be fully implemented at the time.

Improvement indicators:

Key indicator 1: The engagement of all pupils in regular physical activity – Chief Medical Officer guidelines recommend that primary school children undertake at least 30 minutes of physical activity a day in school.

Key Indicator 2: The profile of PE and sport is raised across the school as a tool for whole school improvement.

Key indicator 3: Increased confidence, knowledge and skills of all staff in teaching PE and sport.

Key indicator 4: Broader experience of a range of sports and activities offered to all pupils.

Key indicator 5: Increased participation in competitive sport.

The Halifax Academy Primary Phase PE Action Plan 2020 - 2021

Impact	Inputs	Outputs	Short term outcomes	Long term outcomes	Assessment of impact
1) To improve PE provision via the use of a specific scheme of work.	Annual subscription to Real PE (£700) - AS PART OF AN ANNUAL 3 YEAR PROGRAMME.
