

4th November 2022

Dear Parent/Carer,

**Year 5
Wonderdome Visit
7th December 2022**

Dear Parent/ Carer,

Your child in Sweden/Morocco has a wonderful opportunity for a mobile planetarium space visit held in school on Wednesday 7th December.

As part of our Science curriculum, we are learning about how the planets orbit the sun and how our moon orbits planet Earth. This is a very difficult concept to visualise and so we have been fortunate to secure a visit from Wonderdome; a company who provide schools with a mobile planetarium to give our pupils the opportunity to see up-close how our solar system works.

The cost per child will be **£5.00** which is now available to pay via ParentPay. This is a voluntary contribution; however, the visit may not be able to take place should we not receive sufficient income.

If you do not wish your child to attend this visit, please notify the class teacher as soon as possible.

Yours sincerely,

Mrs Ismail and Mr Hussain
